

Christian Beliefs in SUN

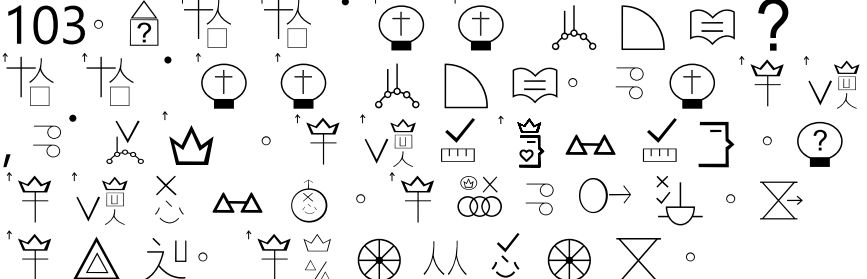

The church has traditionally taught new believers using “catechisms” such as this one.

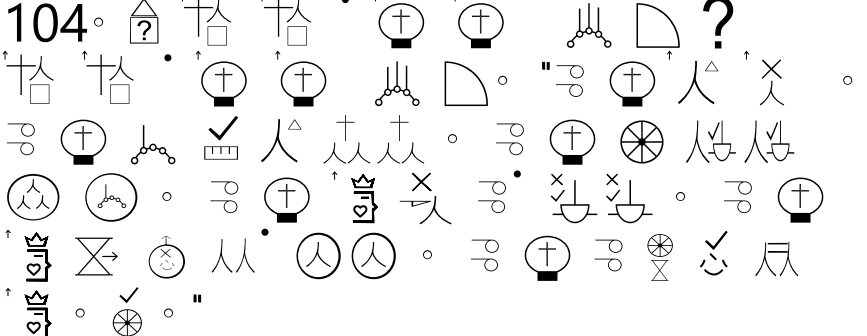

Our book contains 105 questions and responses. The disciple will carefully memorize these truths.

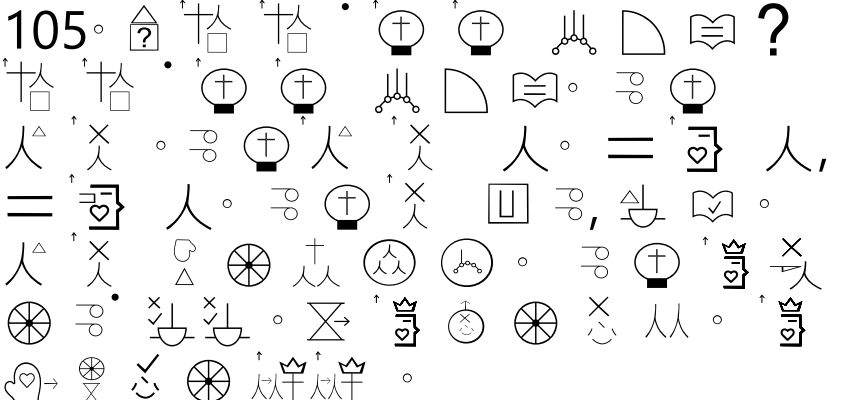

If a deaf person desires to learn some of the most important Christian teachings, this booklet may help. After the disciple learns the answers, the teacher will ask the questions and the disciple will respond. The result will be people who know and understand the gospel better.

Our catechism explains certain key doctrines; the Ten Commandments; the Lord’s Prayer; and the Apostles’ Creed.

We hope that “Christian Beliefs in SUN” blesses God’s people now and in the future!
